**BLUE FLAME**

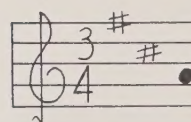

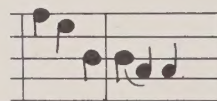

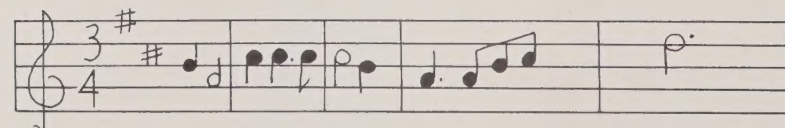

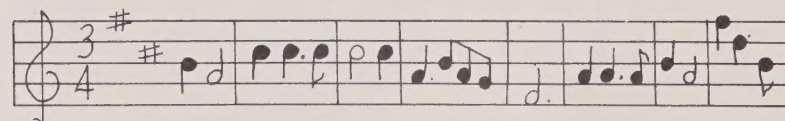

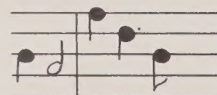

## Central, We Love Thee

I  
Central we Love thee, we'll honor thee daily  
We'll fight for our colors the old gold and blue,  
We'll never forsake thee although we do part,  
We'll always adore thee you're part of our heart.

Chorus:  
Central we love thee, Central we love thee,  
Our love for thee shall never, never, die,  
Central we love thee, Central we love thee  
Our love for thee shall never, never die.

## II

In the days of hard trials, when storms over take thee,  
We'll act as a captain and bravely stand by,  
We'll protect and defend thee, our dear Alma Mater,  
'Til dark days are over and bright days appear.

#### PRINCIPAL'S MESSAGE TO THE SENIOR CLASS

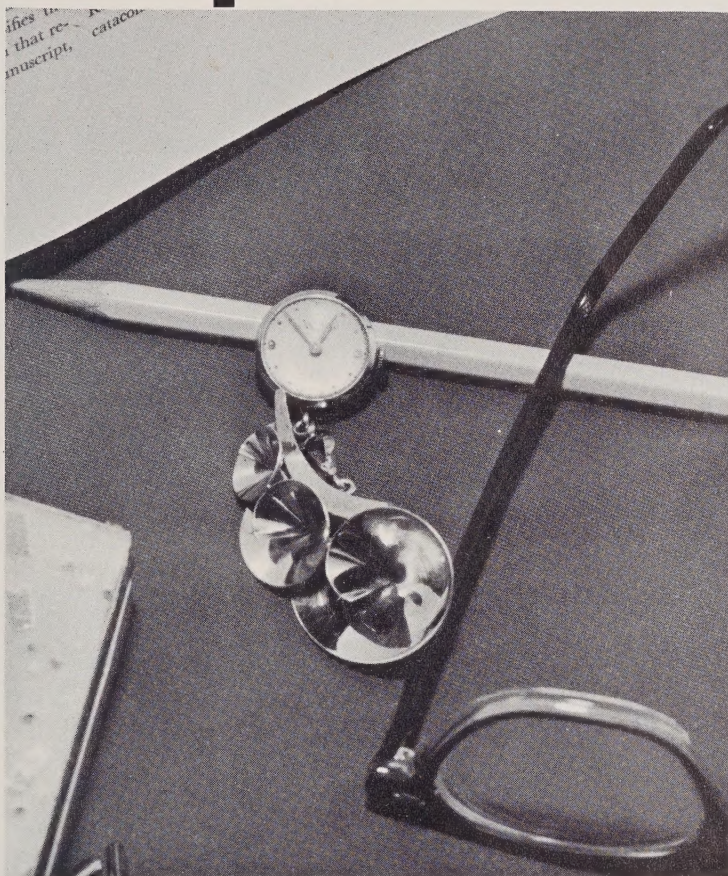

I would like to congratulate you on the very fine work you have accomplished in the publication of your yearbook for 1962.

With this publication, I sincerely hope that you realize that it is a milestone in your travel along life's highway. Today, more than ever before, as you make your debut into the outside world you should plan to enter the parade of progress, realizing there is a service each of you can render individually in the promotion of a better world in which to live. May you forever be aware of the fact that increased interest in education is essential if you are to climb the ladder to economic and social security, and from your common efforts you may see your goals fulfilled and feel the glow from having shared in the advancement of the human race.
